

# 807 NEXT

# 807 NEXT

A compact, high-performance dry vacuum cleaner, the 807 NEXT stands out thanks to its high-level technical features.

The machine's head is designed for extremely quiet operation and houses the powerful motor that guarantees high-performance cleaning. The ergonomic and durable handle, the handy accessory holders, the bumper seal (included) and the trolley with pivoting front and fixed rear wheels make this machine extremely easy to manoeuvre.

The double hose coupling system, designed to ensure the best vacuum performance while working, together with the release system located on the nozzle for easy one-handed hose release, ensure high performance and extreme convenience.

## Product Identification

MODEL	CODE
807 NEXT FC (Cartridge filter)	18458611950
807 NEXT FT (Cloth filter)	18458611951
807 NEXT BC Lithium	18468611950

## Technical features

TECHNICAL FEATURES		807 NEXT FC	807 NEXT FT	807 NEXT BC Lithium
Voltage - Frequency / Power Supply		220-240 V~ 50/60 Hz	220-240 V~ 50/60 Hz	Set of 2 Lithium batteries 18V 10Ah
Maximum power	W	1000	1000	600
Rated power	W	800	800	600
Tank capacity	l	14	14	14

## Compact and robust

The 807 NEXT is ideal for cleaning small-to-medium environments, including congested spaces, thanks to its compact dimensions and exceptional manoeuvrability. The machine's robustness and reliability are guaranteed by the high-quality materials used in its construction. The 807 NEXT offers the perfect blend of durability and practicality, enabling operators to work quickly and comfortably.

## Excellent performance

With its powerful motor and high-efficiency filtration system, the 807 NEXT delivers professional-grade performance. A comprehensive range of standard accessories lets the user vacuum effortlessly across all surfaces, including upholstery, and in hard-to-reach areas.

### 807 NEXT FC / FT

Two mains-powered models feature a 10-metre cable for extensive cleaning coverage, along with a dedicated hook for tidy storage. Both boast excellent vacuum and filtration performance. The 807 NEXT FC is the version equipped with a cartridge filter (0.29 m<sup>2</sup> filtering surface), while the 807 NEXT FT features a polyester cloth filter (0.09 m<sup>2</sup> filtering surface).

### 807 NEXT BC Lithium

The battery-powered model offers two vacuum power settings to suit specific requirements: the **Eco** mode, designed to reduce energy consumption without compromising cleaning efficacy, and the **Boost** mode, ideal for tackling stubborn dirt.

The 807 NEXT BC Lithium is powered by CAS (Cordless Alliance System) batteries, providing versatility, reliability, and high-level performance: up to 50 minutes of autonomy and fast charging in just over an hour.

## Accessories

### STANDARD ACCESSORIES Ø 32

MODEL	CODE
Hose 2.5 m	6010722
Telescopic hose alu black (*)	MK-022
Rigid extension 0.5 m alu (**)	01-341
Floor dust nozzle D320 (***)	2511523
Adjustable combined floor nozzle (*)	2511488
Curtain/sofa nozzle	856000101
Brush	856000061
Crevice tool	856000071
Cartridge filter (****)	2512702
Cloth filter (*****)	6595000
Fleece bag 5 l	---
Lithium battery 18V 10Ah (*) (*****)	7549002
Charger 8A (*)	7502550

### OPTIONAL ACCESSORIES
