

C 143 OLN

ORIGINAL LINE single discs 17" - 154 rpm

Entry level model with working width of 430 mm, the effective combination motor - weight - speed, makes this machine suitable for any cleaning and restoration task.

Very strong induction motor for long life and great performances. Double protection against unintentional start. Satellite and planetary gearbox for high power transmission, long life and low noise level. Mount for drive boards and brushes. Handle of last generation, result of a perfect synthesis among great sturdiness, ergonomics, safety and innovative design.
