

L 133

ORIGINAL LINE single discs 13" - 190 rpm

A compact model for applications requiring a superior professional equipment, being at the same time light and easy to handle.

Suitable for almost all cleaning duties: deep cleaning, stripping, spray cleaning, polishing and shampooing. Very strong induction motor, for long lifetime and great performances. Double protection against unintentional start. Satellite and planetary gearbox for high power transmission, long lifetime and low noise level. Coupling for both pad holder and brush. Handle of last generation, result of a perfect synthesis among great sturdiness, ergonomics, safety and innovative design.
