

# SW2 700 D

## Walk behind scrubber dryers SW2 SERIES - with TRACTION

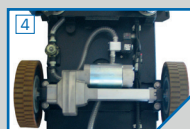

**SW2 700 D due to the double traction with adjustable speed control is an easy-to-operate scrubber drier with excellent manoeuvrability and operating safety assured under any working condition.**

The BC version is equipped with on-board battery charger and 4 gel batteries. A solid, powerful and reliable machine with a very ergonomic design. Adjustable handle. Intuitive control panel with on-board diagnostic, battery hour counter and potentiometer to adjust working speed. The brush head comes as a standard with two powerful gear motors, bumper wheels and splashguard. Easy access for maintenance and service.

### Product identification

Type	Ref. No.	Pieces/pallet
SW2 700 D	10.0270.01	1
SW2 700 D BC	13.0270.01	1

- 1 Recovery tank with gas spring
- 2 Adjustable squeegee
- 3 Control panel
- 4 Strong frame
